Aerospace

Get Rewarded For your Creations

Aerospace Industry given 100's of Millions back from SR&ED program

Your products are driving the nation forward and play a vital part in national importance. Aerospace industry has been steadily gaining prominence both in the research and manufacturing sectors. So why not let the experts help you maximize on your next SR&ED Claim?

Examples of Eligible SR&ED activities: (Aerospace & Defense)

- Projects involved in the development of new aircraft and related equipment.
- Development of machine interface approaches designed to minimise human error.
- Integration of available equipment on new platforms.
- Projects designed to address problems that affect safety or performance, where solutions involve a substantial element of innovation.

If you find your company currently takes part in any of these activities, then why wait to take advantage of the SR&ED tax credit program to receive healthy credit for your innovations?

You are only a few steps away from getting what your company truly deserves for creating, innovating, and developing new products or process.

The Scientific Research and Experimental Development Program:

SR&ED incentives take the form of tax credits, and accelerated or additional tax deductions for expenditures made on research and development. Canadian businesses of all sizes, in all sectors are eligible to receive SR&ED tax credits. The incentives range from 20% of the expenditure, to almost 50% in favorable circumstances.

SR&ED expenditures can include **wages, materials, machinery, equipment, overheads**, and SR&ED contracts.

Braithwaite Technology Consultants Inc. can assist you in obtaining tax credits for research and development activities. Whether your work involves basic research, applied research, or experimental development, Braithwaite can take the uncertainty out of the filing process and get you the credit you deserve for your innovation.

- We annually help over **500** companies find tax recovery opportunities.
- **10,000** claims over **24 years** have made Braithwaite the leading independent SR&ED tax credit practice in Canada.
- No other firm matches our **99% success rate** in terms of claims made.
